

The diagram shows four leaf shapes labeled 'blad 1' through 'blad 4'. Each shape is enclosed in a light gray rectangular box. 'blad 1' is oblong, 'blad 2' is obovate, 'blad 3' is obcordate, and 'blad 4' is obtriangular. A black line represents the leaf's outline. A shaded area with diagonal lines is located at the bottom right, representing the leaf's position relative to the stem.
